Important Messages

The payoff quote will change as payments are received or reversed. If payments or full payoffs are received more than thirty days after the loan's due date or after the loan's late charge cutoff date, late charges may be assessed resulting in a change to a payoff. Please contact our office to obtain an updated payoff if necessary. All payoff quotes are subject to final audit. If Saxon is servicing more than one lien on this account you should advise any new lender and/or closing agent. Separate payoff statements should be sent from Saxon for each such loan number.
